

Project Update: Headland Drive Streetscape Improvement Project

City of Atlanta
Department of Public Works

Richard Mendoza, Commissioner

August 2014

Project: Headland Drive Streetscape Improvement Project
Project ID#: 0006260 CD: 11 NPU: R Contractor: C.P. Richards Construction

Description: The Headland Drive Streetscape Improvement Project is a pedestrian improvement project along Headland Drive from Greenbriar Parkway to the City of Atlanta limits. Improvements include the installation of sidewalks, pedestrian lighting, furniture, crosswalks and landscaping. This project will also include a gateway feature located at the intersection of Greenbriar Parkway and Headland Drive.

The Headland Drive Streetscape Improvement Project is coordinated in conjunction with the Greenbriar Streetscape Improvement Project (PI# 0004466)

Phase: Construction

Schedule Status: On schedule

Construction Start Date: September 2013

Funding Sources: Federal LCI (Livable Community Initiative) & Local City of Atlanta Funding

Project Status: The project is currently in the construction phase and scheduled for completion in September 2014.

- The contractor (C.P. Richards) has substantially completed this project.
- Utilities connections for the traffic signalization and pedestrian lighting are being completed.

The Department of Public Works, in an ongoing effort to ensure that the community remains aware of progress being made with this project, will continue to keep the community informed through regular updates.
